'59 Citizenship Trophies Go to Faragher, Linsay

At Shaker Heights High School's annual Senior Honor Day Assembly held Wednesday, June 3, at 9:45 A.M. in the high school stadium, the 1959 Shaker Square Association Trophies were awarded to Betsy Faragher, daughter of Mr. and Mrs. Burton P. Faragher Jr. of 3245 Green Road, Shaker Heights, and Ernest Linsay, son of Mr. and Mrs. Charles H. Linsay of 17020 Lomond Blvd., Shaker Heights.

Six seniors were nominated for the Citizenship Awards. The four runners-up received Book Awards given by the alumni associations of Connecticut College and Dartmouth College and by the Shaker Heights Dads' Club.

Recipients of the Connecticut College and Dartmouth College Awards are Paula Bodwell, daughter of Mr. and Mrs. George B. Bodwell of 3295 Braemar Road, and Laurence Osborn, son of Dr. and Mrs. James W. Osborn of 2683 Leighton Road.

Seniors receiving the Dads' Club Awards are Peggy Kennedy, daughter of Mr. and Mrs. Alexander C. Kennedy of 3702 Lytle Road, and Michael Wolland, son of Mr. and Mrs. Erwin Wolland of 3346 Stockholm Road.

The Citizenship Awards, highest honor a Shaker High student can achieve, are made each year to one senior girl and one senior boy *considered by vote of their classmates to excel in scholarship, in character, and in service to the* school.

In February Betsy, Ernest, Paula, and Laurence were among those seniors awarded gold Scholarship Keys for maintaining a better than B+ average.

Betsy has been a Student Council member in eleventh and twelfth grade, Class Secretary in sophomore and junior year, member of Y-Teen in sophomore and junior year, and member in sophomore year and president in junior year of the Dramatic Production Club.

Ernest has been Central Committee President in senior years, Student Council member in senior year, Hi-Y member in sophomore and secretary in junior year. He has been a member of the varsity football team in junior and senior year and of the varsity track team in junior year.

Paula has been yearbook editor in senior year, Student Council member in senior year, member of Cheerleaders in junior and Captain in senior year, and Class Social chairman in tenth and eleventh grade. She has been a member of Y-Teen in sophomore year, of Future Teachers of America in senior year, and of girls Leaders Club in all three years.

Laurence in his senior year has been Student Council president; this is the highest office in the school. He has been a member of Social Council in senior year, and a member in sophomore and senior, secretary in junior year of Hi-Y. He has been a member of the varsity swimming team in all three years and of the varsity tennis team in sophomore and junior year.

Peggy has been Class Treasurer and Student Council member in sophomore year, member of the Demerit Panel in senior year, Social Council member in junior year, member of Y-Teen in all three years, a member of the Booster Force in junior and senior year, and a P.A. announcer in senior year. She has been a member of Future Teachers of America and of the girls Leaders Club in junior and senior year.

Michael has been Class vice president in junior year and Class president in senior year. He has been a Student Council member, in sophomore year, a member of Social Council in senior year, and a member of the varsity swimming team in junior and senior year.

Shakerite Names Editors

They've been some changes made! Next year *The Shakerite* will be edited by a new staff, to replace the "retiring" seniors.

Chosen from the present staff by faculty advisor Burton Randall were Linda Blondis, John Fishel, Sue Haskell, Susie Lowe, Bob Nolan, Stan Ornstein, senior editors, and Marc Green, junior editor. Pete Gibbon and his assistant Andy Krotinger will write sports.

New Demerit Panel to Change System for Future Offenders

Twenty-five demerits? Watch out! Next year there are going to be some changes in the functioning of the Demerit Panel.

Under Russ Bishop, Shaker's newly-elected vice president, a larger Demerit Penel will record and take care of students' demerits. The number of members for the school year 1959-1960 will be nine rather than the previous seven. This will mean that the quorum will be changed from four to five members.

Dick Leukhart and Kathi Calvin will return to the panel as seniors. Other members of their class who have been appointed to serve on the Demerit Panel next year are Linda Alexander, Judy Forward, Roger Klein, and Bob Sanders. Representing the junior class of next year will be Joan Horsburgh and Bill Brattin.

The new Demerit Panel will use a different filing system which should be more accurate than the present system and should enable the panel to check the number of demerits each student has accumulated.

The purpose of the Demerit Panel is to help those Shakerites who have acquired too many demerits, not to punish them. However, it is sometimes necessary to recommend disciplinary measures.

Eight New Voices To Spark Spirit

Spirited cheers were heard by all who passed near the elbow room recently. Strains of "Rocket" and "Team" were often heard during the weeks of April 27 and May 5 as prospective cheerleaders developed the necessary lung power and spirit.

Thirty of the more than eighty girls who signed up for tryouts found the rigors of the practice sessions too strenuous. Fifty-three girls tried out in the preliminaries held May 12. Twenty-two of these were chosen as finalists. Retiring Cheerleaders, Paula Bodwell, Kathy Matey, Myra Newman, Mary Ann Vral, and Kris Borglund coached these girls for a week before they again mounted the stage in the small auditorium.

The finalists were judged on the originality of their cheers, coordination, and categories other than skill. Leslie Aurbach, Busy Boorse, Janet Laurie, Jane Lewis, and alternates Barb Abel and Betty Rees were chosen. Char Edwards will captain the squad.

Next Year's Junior and Senior Classes Elect Their Officers

The nervousness was gone. All tension had disappeared. Election day had come and gone. On May 11 sophomores and juniors voted for candidates for next year's class officers; final elections were held on May 13. Heading the senior class next year will be Dick Johns, while Bill Boukalik will preside over the junior class.

Other senior class officers are Roger Klein, vice-president; Janet Laurie, secretary, Chuck Pitcock, treasurer; and Judy Forward, social chairman. Completing the junior class executive board will be Ned Grossman, vice-president; Emmy Stonehill, secretary; Valerie Restifo, treasurer, and Shelly Golenberg, social chairman.

On the final ballot for next year's senior class were presidential aspirants Roger Aaron, Dick Johns, and Chuck Savoca, and vice-presidential candidates Roger Klein, Don Stern, and Bill Stage. Running for secretary were Kathi Calvin and Janet Laurie, for treasurer, Chuck Pitcock and Ken Lapine, and for social chairman, Judy Forward and Janet Green. On the junior ballot were Bill Boukalik and Ken Korach, for president; Ned Grossman and Mary Ohmann, competing for vice-president; and Sue eHnckel, Joan Horsburgh, and Emmie Stonehill, trying for secretary. Charles Bailin, Gregg Dixon, Jim Marshall, and Valerie Restifo all ran for treasurer, and Sue Burton, Mixie Cole, and Shelley Golenberg sought social chairman.

Summer School Sessions Soon Supplement Students' Studies

Summer school will be bigger and better this year. Many students will be taking advanced courses, while others will be doing remedial work.

This summer 600 students will be taught varied courses by 23 teachers. Remedial work will be given in algebra, geometry, English, biology, French, Spanish, and Latin. Advanced credit will be given in American government, economics, sociology, physical geography, economic geography, reading improvement and art. An advanced math course in probability and a woodworking course at Woodbury Junior High will also be offered for credit. Typing and Algebra 3 will be taught without credit as an aid to the student.

The class periods are being changed this year. First period will be from 8:00 a.m. to 9:30. The second period will last from 9:40 to 11:10. After the conference period, which will run from 11:10 to 12:00 noon, third period will be held until 1:30.

Each course costs $20.00, except woodworking, which is $30.00. Early registration began on Saturday, May 23. Registration cards must be filled out and initiated by the class counselor. Registration Day is on June 13, from 9:00-11:30 a.m.

Student Council Sponsors All-School Starlight Stomp

An opportunity for a gala evening is offered to Shakerites by the forthcoming Starlight Stomp. Next year's Student Council is sponsoring the affair which will cost $.50 per couple and will take place on June 6, at 8:30 p.m.

A part of the Council's fund-raising program, this last all-school dance is being planned entirely by new Council members under the supervision of Steve Hrones, the new president.

The theme is a summary of the themes all the other dances held this year. Thus socks and footballs, among other things, will be found adorning the North Parking Lot and the Girls Gym. Loren Grobsmith, head of the Decoration Committee, will supervise a decorating session on the Saturday morning before the dance.

Judy Kravitz, of the invitation committee, has invited Student Council members' parents to chaperone the affair. Entertainment by the Debonairs of Euclid High School has been engaged by Ricky Rivitz, entertainment chief.

Refreshments will be provided by Dave Neustadt's committee, while Russ Bishop and his committee will perform the clean-up duties. John Hirschmann, head of the Tickets Committee, will sell tickets in the Student Fund office. Publicity will be increased for this dance by having Pat Connell, Steve Hrones, and Russ Bishop visit homerooms.

Staff to Hold Lunch

The annual staff luncheon will be held on Wednesday, June 10, in the Social Room. It is the last faculty get together of the year, and the teachers leaving Shaker will be honored.

Refreshments will consist of box lunches. The luncheon is being planned by the Staff Relations Committee.

Gristmill

Pages 3 and 4 of this issue are devoted to pictorial coverage of senior activities, prepared by the new Gristmill staff, and to the Shakerite's Senior Directory. These pages are intended as a supplement for the Gristmill. Cut off the strips of ads, fold, and paste or clip in your yearbook.

Seniors Receive Awards, Honors At Annual Honor Day Assembly

At the annual senior Honor Day, the senior class displayed a fine college potential by winning several scholarships and awards. The all-school Honor Day assembly was held in the football stadium on the morning of June 3, 1959.

Laurie Osborn, this year's Student Council president, began the program by introducing the senior class president, Mike Wolland, who gave a farewell address on behalf of his class. This was followed by a response from our principal, Russell H. Rupp.

The next major event on the program was the presentation of the 1958-'59 Gristmill to Mr. Rupp by Jeff Cole, Gristmill editor. After Mr. Rupp accepted the Gristmill, he proceeded to present the various awards which members of the senior class had won.

Ernie Linsay, president of the Central Committee, revealed the new members of that committee. Dick Bell, chairman of the Demerit Panel, announced next year's members. The new officers of the Social Council were announced by Tom Webb, this year's president.

Then Laurie Osborn proceeded to make his farewell address. Upon finishing, he and Mr. Rupp installed the new student council officers. After the installation ceremony, the student council president for next year, Steve Hrones, spoke. The assembly was concluded with the singing of the alma mater and the senior recessional.

Girls' Sports Spark

By Nancy Stark

The end of the badminton and table tennis season traditionally marks the close of the school year.

The month of May connotes election time to members of the Girls' Leaders and Sharcs Clubs. Next year's officers of the Girls' Leaders Club are President, Anita Smith, Vice President, Busy Boorse, Secretary, Susan Getzendanner, Treasurer, Donna Schroeder, Social Chairman, Linda Nocar, and Girls' Athletic Association Treasurer, Lola Ham. The following are the new Sharcs officers for the next school year: Margie Macey, vice president; Leslie Aurbach, secretary; Janet Green, treasurer.

Kathy's Kaldron

You guessed it, Seniors, this is it
No more Latin or English Lit
We'll be departing soonafar
To Yale, O.U., or Bryn Mawr.

We'll see each other now and then
At open houses or parties-hen.
We'll congregate at football games
When homeward we've come from our college flames.

Well, seniors, where have those three years gone? Remember our first year as sophomores? **Bill Rupp** was our leader. We experienced our first high school election (minus the car parades we had heard so much about), and elected **Harriet Luria** as Secretary.

Junior year came along and more from our ranks copped honors. **Paula Bodwell** and **Mary Ann Kral** made cheerleaders, while **Myra Newman** represented us at Girls' State, and **Marcia Horak** and **Barbara Tatelbaum** served on the Gristmill. Our athletes came into their own as **Vic Ippolito** proved his worth on the football field, **Dave Beeson** showed promise in the pool, and **Pat Faragher** held her own on the hockey field.

Seniors who have made themselves famous or infamous for some reason or other during their high school career deserve mention at this time:

Nancy Donahower—the conservative with radical ideas.

Sue Griswold—who will champion a crusade—any crusade.

Eric Carson—for possessing more mental baggage (brains) than most.

Kathy Matey—for having her name in this column every issue.

Sandy Rossio—whose name never appeared in this column.

Sissy Cohen—who possesses more bounce to the ounce (she's not carbonated either).

Ralph Karlovec—whose charms are just too fatal.

Sir Robert Templeman and Lord Herbert Rosenthal—the only Shakerites with English accents.

Pat Murphy and **Dave Lelyveld**—the only two seniors with New York accents.

Paul Henning—for his hard-as-nails, army-like disposition.

Chris Von Baeyer—the crew-cutted cynic.

Thespians Celebrate Initiation At Musicarnival's 'King and I'

A trip to Musicarnival and a picnic supper was the first treat for newly chosen Thespians. Twenty students were welcomed into Thespians at a secret initiation ceremony after school.

This initiation was held on May 29 and was the final one of the year. Presiding at the meeting were Eric Carson, president of the club for the 1958-1959 term; Alorie Boyle, vice president; Pete Brown, treasurer; and Sunny Moss, social chairman.

The new members were chosen because of their outstanding work in school productions. In order to be accepted into the organization, a person must work on two major shows and acquire a total of 50 Thespian points. Kelly Danford, the teacher sponsor for the group, determines the number of points to be awarded to each actor and actress. Crew members usually receive ½ point for each hour worked.

The people who qualified for this honor are: Alan Benson, Stu Hemple, Jane Hepple, Faith Jencik, Jules Koach, Diane Kornhauser, Jane Levering, Larry Lodish, Ralph Loveman, Linda MacEachron, Pete Machamer, Andy Marmorstein, Pat Murphy, Irene Parker, Doug Pope, Sue Reed, Alan Roth, Carol Torda, Peggy Welch, and Barbara Winger.

Bananas and Picnics Occupy New C. C.

Don Stern, Bill Boukalik, and Sue Getzendanner will join Chuck Savoca and Anita Smith as members of the Central Committee next year. Dick Johns, Bill Rose, John Osmond, Chuck Pitcock, and Roger Aaron are the members of a new subcommittee which will proctor next year's Honor Study Hall.

Other Central Committee business this year has included the ejection of 15 members of Honor Study Hall and the reprimanding of 12 members. Offenses included excessive talking, sitting on window sills, the swinging of bananas from the window shades, and the spreading of cold cream upon other members. The Central Committee's final "order of business" will be its picnic on June 2.

Senior Prom Sets Springtime Mood As Celebrating Graduates Dance

The one outstanding social climax of high school that all students look forward to throughout their high school years is the Senior Prom. This long-awaited dance is prepared and sponsored by the senior class officers.

The Prom will take place Wednesday night, June 10, from 9:00 p.m. to 1:00 p.m. The dance will be held in the gym, social room, and cafeteria of Byron Junior High. The food and decorations creating a springtime mood will be provided for by Sherwin's. Clint Nobel and his orchestra will furnish the lilting strains to which the guests may dance. The high point of the evening will come at eleven o'clock when the queen will be crowned in the gym.

After the Prom, seniors and their guests are invited to the Shaker Swim Club. Entertainment has been arranged beginning at 1:30 a.m. and lasting to 6:00 o'clock in the morning.

Gristmill Soon Will Grind Again; Ken Lapine and Don Stern Lead Staff

The first one isn't even out yet, and already the one for next year has been started! Behind locked doors of room 306, a staff of 21 very capable Shakerites is hard at work! On what? The brand new GRISTMILL for 1960.

Just recently the Gristmill staff for 1960 was appointed. Next year the position of editor will be held by two senior boys, Ken Lapine, and Don Stern. Kenny is a veteran of this business as he was the assistant Art Editor this year. His job next year will concern the physical appearance of the book, while Don's job will be to set up all the schedules and make sure that all the deadlines are met.

During the past two weeks the staff has been having a few orientation meetings. At these meetings decisions were made about next year's Gristmill. The rest of the staff includes: Joyce Atleson, Art Editor; Jim Marshall, Assistant Art Editor; Anita Smith and Carole Smith, also Assistant Art Editors; Valerie Brown and Jo Anne Yarus, both Club Editors; Kathi Calvin, Theme and Rewrite, Student Life, Lola Ham and Bill Stage, both Advertising Managers; Jean Herzegh, Senior Editor; Roger Klein, Boys' Sports Editor; David Krause and Donald Krause, Photography; Jill Lieder, Girls' Sports Editor; Mark Ratner, Class Editor and Index; Barry Rich, Academic and Faculty Editor; Bill Rose, Business Manager; Jim Weidner, Appointments; Cindy Winzeler, typist. This staff is under the supervision of Georgé Starr.

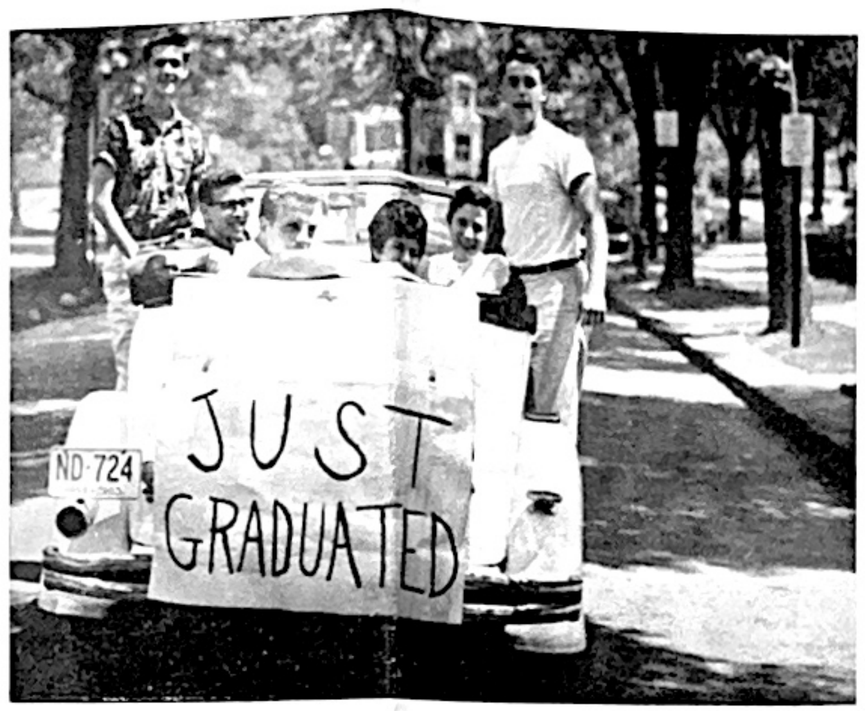
IN THE BEGINNING THERE WAS SPRING; in the Spring there is beginning . . . there is end.

SPRING IS THE BEGINNING, for the coming of Spring at Shaker heralds the revival of many memorable events. To some, her advent brought tense moments and significant decisions—cooperative tests, College Boards for juniors, college acceptances, and final exams. To others, Spring was characterized by new dimensions in outstanding and exciting entertainment. Months of diligent practice brought rewarding fulfillment in the superb and much-applauded Choir and Drama Production *Guys and Dolls*. The Sharcs Pageant, that refreshing, splashy review "The New York Times," added the romance of Broadway to Spring at Shaker.

Enriching and enlivening Shaker's Spring assembly program were the ringing rhythms of the Ohio State University Glee Club. And with the premier of Spring 1959 came the debut of the precedent-setting Student Council documentary film on school life, and the unveiling of new fashions with a flair at the Y-Teen style show.

But while Seniors anxiously counted the days (five extra ones, too) until graduation, underclassmen prepared for next year by electing their class officers, and choosing new members for both the Demerit Panel and the Central Committee.

SPRING, PARADOXICALLY, IS ALSO THE END—To Seniors it marks the climax of three well-spent years at Shaker. Yet thoughts of Spring at Shaker 1959 shall never end, but shall be with all Shakerites always.



In Spring a young man's fancy is turned to . . .

First: Ralph Karlovec, Bill Rupp, Dave Stauffer, Ken Lapine, Ed Butler, Dennis Reimer, Ken Korach, Bo Schneider, Roger Klein, Roger Baden, Mark Fishman, Bill Schweller. *Second*: Coach Heinlen, Stan Chernett, Jim Kohner, Bill Boukalik, Jim Rigelhaupt, Paul Bloch, Jim Millican, Tom Gluntz, Gary Rusk, Chuck Cianciola, Gary Hornsby, Ned Grossman, Don Dodt, Tom Burrell. *Not Shown*: Mike Wodka.

Summer Coming...Some Are Going

A state champion! District qualifiers! The Lakewood bell remains in the halls of Shaker as we once again outpointed Lakewood. Three of the four spring teams sent members to the state tournament. Sophomore Warren Daane and Senior Al Ganim represented Shaker in tennis and reached the semifinals at state, while Roger Aaron, top in the district, and Yoram Gelman made a fine bid for track and field honors.

A superb golf team breezed by other qualifiers to emerge as state champs for the second straight year. With three of the four members of the team juniors, it appears that Shaker may make it three in a row next year. The baseball team, off to an unfortunate start and never quite recovering, compiled a below par record. A timely victory over Lakewood, however, gave Shaker the needed points to maintain the cherished bell.

As we tie the knot on the 1959 sports' package, we look with much anticipation toward the future for a new bundle of memorable events and outstanding achievements.

First: Dick Abrams, Larry Kahn, Capt., Grant Kloppman, Earl Weiss, Dick Leukart. *Second*: Coach Stoch, Mike Kelley, Dan Jonas, Mark Greenbaum, Bud Bonhard, Marty Spiegle.

Four Teachers, Dietitian To Leave Hallowed Halls

By Barbara Katz

As the school year draws to a close, four teachers with a cumulative record of 149 years of teaching at Shaker Heights High School have announced their retirement. These well-known teachers are Miss Ruth Blair, Dr. M. Evelyn Dilley, Mr. Charles Hanes, and Mr. L. R. Thrailkill. Alice Barnes, the cafeteria director, is also retiring.

Miss Blair has been a Latin teacher at Shaker since 1920. During her 39 years here, she has watched the community and schools develop into the large, complex structures they are today. "It has been interesting to teach the children of former pupils," she reflected.

Dr. Dilley, who has been Chairman of the Foreign Languages Department for over twenty years, became a member of the school system in 1926. "I am grateful," she remarked "for having been able to work with such good students. Everyone has a little spark for learning—they just need to get the electric current going."

The Chairman of the Industrial Arts Department, Mr. Hanes, has the honor of having taught in Shaker longer than any other teacher. When he first came here forty years ago, there were only about 450 students in the combined junior and senior high school. In the following years he equipped three woodworking shops and an auto mechanics shop. He has also been the faculty manager of athletics since 1932.

The person behind many of the activities enjoyed by students is leaving Shaker after 37 years. Mr. Thrailkill, or "Uncle Bus," as his students affectionately call him, is the Director of Student Activities and was one of the organizers of the Student Council and Student Fund. He has also been Chairman of the Social Studies Department for many years.

In recognition of his devoted service, he was honored at a joint meeting of the social and student councils. Room 231 will be dedicated as the L. R. Thrailkill Room and a plaque signifying this will be posted. In the future Mr. Thrailkill will be living in De Land, Florida.

Miss Barnes has spent fifteen years at Shaker as cafeteria director. She has been responsible for the great tastiness and nutritional value of the cafeteria food

Eleven Teachers Say 'Au Revoir'

Marriage, moving, and maternity—these are some of the reasons why 12 members of the Shaker faculty are leaving.

Departing because of growing families are Mrs. Sue Kenney and Mrs. Barbara Preucil. Mrs. Preucil is Shaker's social director and Mrs. Kenney is a member of the physical education department.

Andrew Tobasco, Barbara Hartt, and Thomas Muncey are moving to Cincinnati, Los Angeles, and Wickliffe respectively. Both Mr. Tobasco and Mr. Muncey teach mathematics. Miss Hartt teaches business education.

Leaving to tie the wedding knot is Kathleen Macdonald, a member of the English department.

Kenyon Cramer, who teaches the American history honors course, has been granted a year's leave of absence to study at Harvard University on a John Hay Fellowship. Rose Bannaian, Staff Assistant, is also returning to academic ranks. She will study during the fall semester at Columbia University.

Jane Graveen, who teaches both Spanish and English, will also leave as well as two members of the social studies department, Frederick Dixon and Helmut Ressmeyer.

Commencement Exercises Await Shaker's Graduating Seniors

Approximately one-third of Shaker's enrollment, the Senior Class, is looking forward with anxiety toward the end of seven years of work which will culminate on Graduation Day.

Commencement exercises this year wil ltake place on June 12. They will begin at 8 30 p.m. at Severance Hall. At this time the members of the Class of 1959 will march down the aisles, clad in caps and gowns, accompanied by the music of Mr. Reynold Ellis at the organ.

After the processional Dr. Robert Killam, Minister of the First Unitarian Church will give the invocation. The A Capella Choir under the direction of Mr. Ellis will then contribute to the program with two selections. **Souls of the Righteous** by T. Tertius Noble and **Send Forth Thy Spirit** by Fr. Joseph Schuetky.

The guest speaker of the day will be Dr. Will W. Orr. Dr. Orr, a Presbyterian minister, is the President of Westminster College and has had a long and varied educational career. The theme of Dr. Orr's commencement address will be "Nucleus or Night?"

Following Dr. Orr's address, Shaker's principal, Mr. Russell H. Rupp, will present the Class of 1959 to the audience. The diplomas will be presented by Mr. Laurence T. Mayher, President of the Board of Education, and Mr. William S. Burton, Vice President of the Board of Education.

Commencement exercises will be concluded with the singing of the Shaker Alma Mater. The recessional will follow with an organ accompaniment.

Facts and Fancy By Beth and Nancy

John J. Millerefsky, our roving swami, predicts: June Adler will be next season's champion diver and may inherit the vacancy left by the captain of our swimming team! (Oh, tell us more, mystic swami!) **DERY**-queens will be extremely popular with our future class secretary! That name rings a bell—while on the subject of bells, our exotic forecaster predicts. . . **Margie Matson** will be hearing at least one big **Bell!** (And his first name sure isn't door!) (John J. Millerefsky refuses to be held responsible for predictions which do not hold true due to circumstances beyond his control.

On behalf of all those students who have valiantly survived two fun-filled semesters of biology, we now take the liberty of dedicating the following masterpiece to the five wonderful biology teachers:

Thanks for the Memories (to the tune of the same)

Thanks for the memories
Of fomaldehyde and fish
Of the worms we loved to squish,
The frog, the clam, the crayfish too, were just our favorite dish,
We thank you so much!

Thanks for the memories
Of genes and chromosomes
Of Bertha's moldy bones,
Of learning names of all the parts that every human owns
We thank you so much!

Thanks for the Lab Reports
Which we couldn't wait to write
'Til twelve each Wednesday night,
The pictures and the crow quill pens were simply a delight—
Thanks a whole bunch ! ! !

And to Mr. Miller we fondly dedicate the following:

Slice 'em up, pull 'em out,
That's Killer Miller's motto,
Practicals are his greatest love—
We'll stick to Moon, Mann, and Otto.

The Spectator

By Larry Kahn

Before I let my career as a writer for the Shakerite completely expire, let me at least present to you some final utterings. My coverage of spring sports is terminated with this concerning the golf team—I told you so. The golf team has only one worry after two consecutive state championships; they hope they will not be called bums if and when they lose. It is impossible for a team to do more than they have done to bring up the name of their sport and their school.

All of this except the actual playing itself is due to Mr. Stoch, who directs the team to their championships. Teams can win with average coaches, teams can never win state championships without the finest coaches. Shaker is fortunate to have Mr. Stoch around to do his job, for he is one of the few who, to their teams, owns the tag of both coach and friend. I thank him for all his help the past two years, in season and out.

I have said enough for this year, and I now put the Spectator into my past, and turn the space over to a very able writer, Pete Gibbon.

It looks as if Jack Pickering's netters have a perennial grasp on all Cleveland tennis titles. Another undefeated season enabled the Raiders to capture the coveted Greater Clevland crown. Word is that the competition of these boys is not of the highest caliber. Granted this is so—in part—but when one considers that the netmen rarely drop more than one match within a meet and whipped an undefeated U.S. team 4-1—then it must be something more than just poor opponents. Perhaps the answer lies in the fact that the racketmen practice year around under the guidance of a former boy's state champ ('44). In any event this outstanding team deserves the plaudits of the student body—perhaps even a few spectators.

Daane, Ganim to State

In the district playoffs at Lakewood, Shaker entered two senior-sophomore combinations: Al Ganim and Warren Daane, and Jim Goetz and Dick Morris. As expected, Ganim and Boy's doubles champ, Daane, went to state, but they were stopped in the semi-finals, rather unexpectedly. Tennis seems to be on the upswing in Ohio. Even Shaker's second double's team is having trouble winning lately.

Too bad about Fred Heinlen's baseball team. Next year's prospect look brighter, however, as pitchers Klein and Schneider are returning along with a host of promising juniors and sophomores.

Warren Daane and Al Ganim, Shaker's first doubles team, defeated Elyria in the District Matches, but were defeated in the State semi-finals. Daane, high-ranking national player, and top-seeded Clark Graebner of Lakewood, will make a circuit tour this summer.

Golfers Cop 2nd Ohio Title; End Season With 24-2 Record

By Jim Friedman

Sweeping to victory in league, district, and state competition, Shaker's varsity golf squad annexed its second consecutive state title. Coached by Ed Stoch, the team of Larry Kahn, Grant Kloppman, Earl Weiss, and Dick Leukart scored a total of 640 strokes in the two-day, 36-hole meet at Columbus to win by a full ten strokes.

The entire Shaker golf team was one of unparalled success. Fielding three different teams in Lake Erie, League, Highland Independent League, and independent matches, the Shaker linksters lost only two of 26 matches. Kloppman, Weiss, Leukart, Dick Abrams, and captain Larry Kahn met Lake Erie League competition at either of their two home courses—Shaker Heights Country Club or Beechmont Country Club. Facing opponents in the Highland League were Marty Spiegle, Marc Greenbaum, Buddy Bonhard, and Mike Kelley. Dan Jonas, Tom Stone, Chuck Bailin, and Bruce Pollack rounded out this exceptional team. Mike Berger, and Hank Wasserman played independent matches.

A large Jay Vee squad competed in several matches and remained undefeated. At the end of the season the JayVees played a tournament for possession of the Jay Vee Trophy, donated by Danny Budin.

With Kloppman and Weiss averaging less than 80 for the entire season, the team made short work of their opposition, a fine record, especially when one realizes that Shaker must compete with Southern Ohio schools which enjoy a much longer season. Stoch looks forward to another bright season because three of his four champions are returning to the local links in 1960.

Netters Take League Crown

Shaker High School's top-ranked tennis team had a very successful spring season, winning all of its scheduled matches. Sparked by sophomores Warren Daane and Jim Goetz, and senior Al Ganim, the Raider netmen trounced University School, Parma, Heights, Shaw and Gilmour Academy. Rackets flew as the Raiders completely overpowered every opponent in a fine exhibition of high school tennis.

Having clinched the Cleveland High School League championship for the second straight year, Raidermen Daane and Ganim advanced to the state semifinals, where they were defeated by the doubles team from Middletown High School. Dick Morris and Goetz, another sophomore-senior doubles combination, played fine tennis and narrowly missed going to state.

Displaying good sportsmanship as well as great skill, these boys have worked hard all year and deserve every laurel they have received. Mr. Pickering, tennis mentor for Shaker High, will undoubtedly have a fine squad next year, for all except Ganim and Morris are returning.

Bright Future For Thinclads

By Chuck Bailin

Now that the 1959 track season has ended at Shaker, Coach Rice may sit back, relax, and ponder over the Trackmen's prospects for next year.

Many things will cross his mind. His thoughts will probably concern the fine performances of the juniors on this year's team. He will probably remember the league record-breaking one and one half-mile relay teams, both of which had three juniors. Pete Schliewen and next year's captain Bill Gross served on both teams while Jeff Wynn served on the mile team and Joe Johnson on the one-half mile team.

Performances of Roger Aaron, junior discuss and shotput heaver, will also come before his eyes. The coach will happily recall Roger and senior Yoram Gelman representing Shaker at the state meet.

Rice will have many fond memories of a rewarding season to recall this summer.
